

Our People Make The Difference

BUS MECHANIC (Milwaukee, WI)

Trudell is in search of an experienced and talented Bus Mechanic to join the service department of our Oak Creek, Wisconsin facility.

Our Bus Mechanics are responsible for safely and thoroughly inspecting, diagnosing, repairing and servicing buses, coaches, activity vehicles and other vehicles and related components worked on at Trudell. Successful candidates will possess: a valid Driver's License with clear driving record; a CDL for school buses; knowledge of diagnostic equipment, hand & power tools, and shop safety procedures; and demonstrated experience in the areas of automotive electrics/electronics, chassis, steering, suspension, drive train, diesel engines, automatic transmissions, customer service, phone & computer skills, and problem resolution. Successful candidates for this role must be able to: work full 8-hour shifts and, at times, 12-hour shifts due to seasonal and fluctuating business demands; the ability to regularly lift 50 pounds, and occasionally lift 75 to 100 pounds; use both hands and arms when using high power hand tools, saws, grinder, drill, etc.; and have vision good enough to do bearing inspections and welding. Finalists will be required to successfully complete a pre-employment physical, drug screen, criminal background and driver's license check and employment reference verification prior to hire.

Qualified and talented bus mechanics should complete an application form at:

Trudell Trailers of Milwaukee, 2435 W Southbranch Boulevard, Oak Creek

Or fax a resume and cover letter indicating wage expectations to 920-336-8931.

Credentials may also be emailed to resume@trudelltrailers.com.

In return for your talent, Trudell offers a competitive wage and benefit package in an excellent working environment where our people really do make the difference. For more information about Trudell, please visit our web site at www.trudelltrailers.com.
