

*Our People Make The Difference*

## **MOBILE SERVICE MECHANIC (Milwaukee, WI)**

Trudell, the Midwest's number one semi trailer resource, is in search of an experienced and talented mobile service mechanic to join the service department of our Oak Creek, Wisconsin facility.

Our Mobile Service Mechanics are responsible for performing complete preventive maintenance services, patching roofs and floors, replacing air lines, repairing/replacing brakes and brake chambers, changing all lights and minor wiring, plus many other basic repairs. This work requires an individual to be mechanically inclined and able to trouble shoot problems and come up with suitable repair solutions, the ability to climb ladders and scaffolding and crawl underneath trailers, the ability to perform some overhead lifting when replacing side sheets and roof bow supports, the ability to use both hands and arms when using high power hand tools, saws, grinders, drill, etc, and vision good enough to do bearing inspections and welding. Successful candidates should own their own tools and be able to pass a physical and drug screen. Candidates interested in this opportunity must also possess a valid driver's license with an acceptable driving record, previous experience working directly with customers in a customer service capacity, and basic computer skills such as email and data entry.

Qualified and talented mobile service trailer mechanics should complete an application form at:

Trudell Trailers of Milwaukee, 2435 W Southbranch Boulevard, Oak Creek

Or fax a resume and cover letter indicating wage expectations to 414-761-6265.

Credentials may also be emailed to [resume@trudelltrailers.com](mailto:resume@trudelltrailers.com).

In return for your talent, Trudell offers a competitive wage and benefit package in an excellent working environment where our people really do make the difference. For more information about Trudell Trailers, please visit our web site at [www.trudelltrailers.com](http://www.trudelltrailers.com).
