

TRAILER MECHANICS (De Pere, WI)

Most people just see a semi-trailer when they see one traveling down the road. What do you see? We see a fully-stocked grocery or retail store or even more. In the same light, most people will look at this job posting as just that – a job posting. For us, though, we consider this a career opportunity. Are you looking for a career match too?

Trudell Trailer Sales, the Midwest's number one semi-trailer resource, has the business to keep a few more experienced trailer mechanics working on our 2nd shift Service team in our Green Bay area facility. Second shift isn't what you think! Start time is 10am and finishes up at 8pm and gives you **one weekday off** each week.

Our Trailer Technicians (as we call them) are responsible for removing and replacing damaged components, electrical repairs, brake and axle work, and welding. The ideal candidate for these openings has prior trailer repair and maintenance experience, however we may consider candidates with related education and/or experience and a stable work history willing to learn this trade. Like we said, this is a career opportunity not a job posting.

If you are a polished, dependable, and customer focused trailer or heavy-duty equipment mechanic (or have the career aspirations to be one) we have the opportunity for you! In return for sharing your talent with us we can offer the following:

- One weekday off each week, no weekends or holidays.
- Pay range of \$18 (Mechanic Assistant) to \$25 (Journeyman Mechanic) per hour.
- \$5,000 to \$10,000 signing bonus (depending on experience and does not apply if submitted through a third-party service) paid out over the first year of employment
- Most benefits effective 1st of the month following date of hire
- We may match your vacation benefit if you are currently working

More importantly is the stability and overall benefit that comes with working for a large organization while still working in a smaller, close knit work community where our core value that "People Matter" is truly lived out. For more information about Trudell Trailer Sales, please visit our web site at www.trudelltrailers.com.

Skilled mechanics with a passion for excellent customer service are invited to complete an application form at:

Trudell Trailers of Green Bay, 2049 Creamery Road, De Pere, WI

Credentials may also be emailed to resume@trudellholdings.com

We look forward to meeting you!
