	→ Buy 6 or more	\$ 125.00

#### MAXXGRIPSTM™ GLADHANDS

- The built-in handle provides leverage for safer & more complete connections.
- The solid body design of the MAXXGRIPSTM™ eliminates the potential leak point between gladhand and grip.
- Features a cast-in stainless steel wear plate and powder-coating for simple identification.

#### SONOGRIP® ABS CABLE

- Often imitated, but never duplicated: The Sonogrip® provides long-lasting, corrosion-free connections.
- The angled “pistol grip” plug reduces cable stress at the higher-mounted receptacle.
- Ultrasonic welding of the terminals and the solid-molded plug body exclude corrosive moisture.
